

The Newport Beach Fire Department invites residents to join the Community Emergency Response Team (CERT) program to learn how to help their neighborhoods following unexpected disasters. The CERT program is available **FREE** of charge to Newport Beach residents and \$40 for non-residents.

For spring 2016, there will be three separate CERT program series held: A Tuesday/Thursday evening program, a Thursday daytime program, and an all-day Saturday program. Participants must register to attend one program, **but may take classes from the other programs** if they miss classes during their registered program.
